Dear Shareholders,

Fiscal 2018 was a year in which we further consolidated our long term strategy of enhancing focus on the selected growth of our addressed markets. We successfully reinforced the foundations towards becoming an investment-led and niche investor. Although the Company has witnessed a decrease in the revenue due to an insalubrious economy dealing with the impact of demonetisation, however we continued to make significant efforts to strengthen our performance.

Performance of the Company

Our Company got made a transition from BSE SME listing to BSE mainboard listing on 23 February 2018.

On Standalone Business:

Our Net profit after tax for the fiscal year 2017-18 was INR 48.77 Lakhs as compared to INR 204.10 Lakhs in previous fiscal year. The Company made total revenue of INR 848.49 Lakhs for the fiscal year 2017-18 as compared to INR 1,926.04 Lakhs in previous fiscal year.

The aggregate market value of Investment made by the Company in listed equities increased to INR 4,581.46 Lakhs during current Financial year 2017-18, as compared to INR 2,814.50 Lakhs during previous year FY 2016-17, indicating an increase of 61.43%.

The Company has reduced its unsecured loans by INR 475 lakhs (Standalone) with an intention of making the Company and group companies debt-free.

Investment

Investments that are being made by the Company in liquid stocks remain to be high pedigree growth stocks considering factors such as low debt, dividend track records, high promoter ownership, industry leadership, credit rating, long term track record, capacity utilization and above all undervalued and undiscovered. The Company has built-up Investments on long-term basis under professional guidance.

The Company has invested in unlisted equity in Tapadia Polyesters Private Limited, which has significantly shown its positive turnaround. The Company is exploring other opportunities for growth.

The Company is seeking further investment in Vibrant Global Salt Private Limited (“VGSPL”), subsidiary company. The Company has also received an in - principle approval from the Board for further investment in VGSPL. As result of this Investment, VGSPL will become a wholly owned subsidiary of your Company.

Looking ahead with confidence

We enter FY 2019 with a confident spring in our step. At a macro level, the shift from physical savings to financial savings in India argues well for businesses. The government

continues to drive the right initiatives in the investment part. FII's made a comeback with strong net inflows, after a temporary exodus during the demonetization phase. Even domestic investors have shown continued interest through the equity mutual fund route.

The revival of the IPO market should only bring more quality companies into the listed space. As these broader trends translated into business opportunities, our investments into critical areas give us the ability to capture these opportunities as they unfold further.

Compared to our last round, on this occasion, growth will be on a banking platform with fund-raising capabilities, favourable macroeconomic conditions and an evolved and already profitable model that has been honed over the years. We have a growing ecosystem, a fast-growing economy, a transformative government, and a supportive regulator.

I believe everything is achievable with the right spirit, hard work, energy, commitment, honesty, the right platform and the right strategy.

If there is one thing I would like you to be swayed by, it is the incredible opportunities ahead. Growth is life, and with growth, everyone will have great opportunities. You have been wonderful partners in this progress and have worked night and day since its start-up stage. It is not the time to be concerned; instead, it is the time to be more motivated.

To my colleague Directors, I express my thanks to you for your constant guidance and encouragement. Thank you, shareholders, for your unstinted support over the years.

With best wishes.

Vinod Garg

Chairman and Managing Director

Your Company is a professionally managed company with registered office at Mumbai and has an in-house team of experts to ensure effective utilization of the assets and improve the overall profitability and financial efficiencies of the company.

MACROECONOMIC OVERVIEW:

Financial Year 2018 began uncertainly with the economy still dealing with the impact of demonetisation of Rs. 500 and Rs. 1000 notes. Further second, second quarter (July - September 2017) saw considerable disturbance in economic activity because of teething troubles that accompanied the rollout of the Goods and Services Tax (GST). The third quarter (October - December 2017), however, had shown an uptick – posting 7.2% GDP growth vis-a-vis the same quarter in the previous year. This has prompted some to argue that the economy has recovered from demonetisation and the transition to GST, and that one should now expect a period of higher growth.

As it stands, however, the second advance estimates of national income for FY2018 released by the Central Statistics Office (CSO) on 28 February 2018 forecasts real GDP growth for the year at 6.6%, which is 50 basis points less than the 7.1% growth witnessed in FY2017.

There are, however, some worrying trends. The first is the rising current account deficit (CAD). Slowdown in export growth and a sharp rise in crude oil prices threatens India's CAD, which crossed 2% of GDP during the quarter ended 31 December 2017. Though manageable, the room for maneuver is getting reduced, especially if crude oil prices remain above US\$ 70 per barrel. The second is rising inflation. 'Core inflation' (that is, excluding food and fuel) averaged at 4.7% during FY2018, which exceeds the RBI's medium-term target of 4%. If this continues, one could expect the RBI to again pursue a tight monetary policy. The third is the slower than anticipated bankruptcy resolution, which has effectively put a brake on bank credit. Moreover, market interest rates have begun to harden. Bank lending rates have started rising; and other market driven interest rates such as that of the benchmark 10-year Government security have seen significant volatility during January-March 2018. A positive is India should see higher GDP growth in next year. RBI has issued a growth forecast of 7.4% for FY2019. BFS, too, expects higher GDP growth, but is also prepared for greater uncertainties and higher interest rates.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 A] BACKGROUND:

Vibrant Global Capital Limited ('the Company') is registered as a Non-Banking Financial Company ('NBFC') as defined under Section 45-IA of the Reserve Bank of India Act, 1934. The Company is principally engaged in lending and investing activities.

B] SIGNIFICANT ACCOUNTING POLICIES:

a) Basis of Preparation of Financial Statements

- (i) The financial statements have been prepared in accordance with Generally Accepted Accounting Principles (GAAP) in India under the historical cost convention on accrual basis. GAAP comprises mandatory accounting standards as prescribed under section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI).
- (ii) The Company complies with the directions issued by the Reserve Bank of India (RBI) for Non-Banking Financial (Non-Deposit Accepting or Holding) Companies (NBFC-ND).
- (iii) As required by Schedule III, the Company has classified assets and liabilities into current and non-current based on the operating cycle. An operating cycle is the time between the acquisition of assets and their realisation in cash and cash equivalents. Since in case of non-banking financial company normal operating cycle is not applicable, the operating cycle has been considered as 12 months.

b) Revenue Recognition:

Interest income is recognised on its accrual. Revenue from share trading & derivative trading is accounted on its sale. Dividend income is recognised when right to receive income is established.

c) Use of Estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenue and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known/materialized.

d) Provisions, Contingent Liabilities & Contingent Assets:

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the financial statements.

e) Taxes on Income

- (i) **Current Tax:** Provisions for Income Tax is determined in accordance with provisions of Income Tax Act, 1961.
- (ii) **Deferred Tax:** Deferred tax is recognised on timing difference being difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent period(s) and is recognised using the tax rates and tax laws that have been enacted or substantially enacted. Deferred tax assets are not recognised unless there is sufficient assurance with respect to reversal of the same in future years.
- (iii) **Minimum Alternate Tax:** Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The company recognizes MAT credit available as an asset only to the extent there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT Credit is allowed to be carried forward. In the year in which the Company recognizes MAT Credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternate Tax under the Income Tax Act, 1961, the said asset is created by way of credit to the statement of Profit and Loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the sufficient period.

- f) **Investment**
- (i) Investments are classified as non-current or current based on intention of management at the time of purchase.
 - (ii) Non- Current Investments are carried at cost less any other-than-temporary diminution in value.
 - (iii) Current Investments are carried at the lower of cost and fair value.
 - (iv) Any reduction in the carrying amount and any reversals of such reduction are charged or credited to the statement of profit and loss.

- h) **Derivatives Transactions**
- Fair value of derivative contracts is determined based on the appropriate valuation techniques considering the terms of the contract as at the balance sheet date. Mark to market losses in derivative contracts are recognised in the statement of profit and loss in the period in which they arise. Mark to market gains are not recognised keeping in view the principle of prudence as enunciated in “Accounting Standard (AS) I - Disclosure of Accounting Policies”.
- i) **Employee Benefits**
- a) **Short-term Employee Benefits:**
Short term benefits are recognized as an expense at the undiscounted amount in the Profit & Loss Account of the year in which the related services are rendered.

- j) **Closing Stock**
- Closing stock is valued at lower of cost or net realisable value. Cost is ascertained on FIFO basis.
- k) **Earnings per Share**
- The basic earnings per share (‘EPS’) is computed by dividing the net profit after tax attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit after tax attributable to the equity shareholders for the year and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. The dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. The diluted potential equity shares have been adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. the average market value of the outstanding shares).

Report on the Internal Financial Controls under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act').

In conjunction with our audit of the Consolidated financial statements of the company as of and for the year ended 31st March 2018, we have audited the internal financial controls over financial reporting of M/S VIBRANT GLOBAL CAPITAL LTD. ('The Holding Company'), its subsidiary companies & an associate Company incorporated in India as of date.

Management's Responsibility for Internal Financial Controls

The respective Board of directors of the Holding Company, its subsidiary companies & its associate which are companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial control over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of

internal control based on the assessed risk. The procedures selected depend on the auditors' judgement including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or frauds may occur and not be detected. Also, projections of any evaluations of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company, its subsidiary companies, which are companies incorporated in India, including and based on the report on the internal financial control of its associate company, by its statutory auditors, have, in all material respects, an adequate internal financial controls system over financial reporting which were operating effectively as at 31 March, 2018, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
